STATE OF CALIFORNIA

## **Fish and Game Commission**

November 29, 2010

TO ALL AFFECTED AND INTERESTED PARTIES:

This is to provide you with a copy of the continuation notice of proposed regulatory action relative to Sections 671, 671.1, 671.7 and 703, Title 14, California Code of Regulations, relating to New Restricted Species Permits and Requirements.

On November 8, 2010, the Commission withdrew their submission of OAL File No. 2010-0423-04 S for additional revisions in the following discussion shown in **bold text** within the Updated Informative Digest, and **double strikeout and double underline** in the regulations text.

These are new changes reflected since the 15 day notice mailed in August 2010. Corrections and clarifications have been made to rulemaking including changes to the text of the language to comply with the clarity, necessity, authority and reference standards of Government Code section 11349.1. Also attached are the forms incorporated by reference and a fee schedule which reflects 2011 fees adjusted pursuant to Section 699, Title 14 CCR, and edited to reflect the standard of Government Code. Because these regulations are different from, yet sufficiently related to, the originally proposed regulations, the Administrative Procedure Act requires that we make these changes available to you for at least a 15-day written comment period.

**NOTICE IS GIVEN** that any person interested may present statements, orally or in writing, relevant to the specific changes outlined in this 15 day notice and the possible adoption scheduled at a hearing to be held in, The Hotel Mar Monte, El Cabrillo Room, 1111 East Cabrillo Blvd., Santa Barbara, California, on Thursday, December 16, 2010, at 8:30 a.m., or as soon thereafter as the matter may be heard. It is requested, but not required, that written comments be submitted on or before December 16, 2010 at the address given below, or by fax at (916) 653-5040, or by e-mail to [FGC@fgc.ca.gov](mailto:FGC@fgc.ca.gov). All comments must be received no later than December 16, 2010, at the meeting in Santa Barbara. If you would like copies of any modifications to this proposal, please include your name and mailing address.

**Mr. Scott Barrow, Fisheries Programs Branch, Department of Fish and Game, phone (916) 445-7600, has been designated to respond to questions on the substance of the proposed regulations.** Documents relating to the proposed action shall be posted on the Fish and Game Commission website at <http://www.fgc.ca.gov> or may be obtained by writing to our office at the above address.

Sincerely,

Jon D. Snellstrom  
Associate Governmental Program Analyst
